

FOR IMMEDIATE RELEASE

Casina Creek Homes Announces Casinas @ The Heights.

New home community situated one mile north of Alamo Heights in San Antonio, TX

San Antonio, TX (May 15, 2019): Casina @ The Heights community is thoughtfully planned to create harmony by combining clean design and modern Texas farmhouse style. Each new home is created with your family in mind and how you want to live each moment in it. Located in the historic Alamo Heights area of San Antonio, TX, the Casinas @ The Heights offers a limited opportunity to own an open concept, detached, single-family home in a prime location.

Located just north of Alamo Heights, one of San Antonio's most recognized neighborhoods, The Casinas @ The Heights is ideally situated near Loop 410 and Broadway, within 2.5 miles from the San Antonio International Airport and only 0.5 miles from Loop 410. Within a 2.5-mile radius from the community, you will find:

- Nearby dining, shopping and entertainment options: The Quarry Market, North Star Mall, The Quarry Golf Course and Alamo Drafthouse Theater.
- Convenience to major employers: USAA, Valero Energy, HEB Groceries headquarters, and downtown's business center.
- Top-rated schools: Alamo Heights High and Junior Schools, as well as Cambridge Elementary School

Brimming with convenience and comfort, prospective homebuyers are invited to explore the 10-home collection of single-family homes, with 8 of them detached. Upon entering the homes, enjoy spacious open concept living with gourmet kitchens, perfect for family members to unplug and connect with one another or just entertain friends. Luxurious owner's suites with spa-like baths, ample storage, two-car garages, low maintenance exterior, with 1st floor Master options, these homes have possibilities for everyone.

"Our company believes that a new home should be a reflection of the homeowner, their lifestyle, and most of all tell their story." said Chad Johannesen, President of Casina Creek Homes. "With that in mind, this community provides a homeownership experience with finishes that check a lot of the boxes." The homes range from approximately 1,426 to 2,538 square feet and offer 3 to 4 bedrooms and 2.5 baths with base pricing starting in the upper \$300,000's.
